

If you know someone  
who is being hurt at  
home or at school...  
remember to

Bee Safe

-  **S**tay out of the fight—go to a neighbor's house or find a teacher
-  **A**sk for help—talk to people who care about you
-  **F**ind an adult or friend who will listen—call 911 if there is no one around to help
-  **E**veryone knows it is not your fault!

For more information on preventing Family Violence, please visit
