

## Science Kits

Air and weather	K'nex simple machines
Animal Survey Resource Box	Life cycle of butterflies
Bubble Festival	Microscopes
Butterflies and moths resource box	Microscopic exploration: kit
CenterStage science: Life science	Microworlds Resource Box
CenterStage science: Physical science	Motion and design
Chemical reactions resource box	Mystery Festival (Felix)
Classroom plants resource kit	Nature study aids
Codon Bingo Game Kit	Oobleck: Resource Box
Dinosaur Resource Box	Plant and animal life cycles resource box
DNA and Electrophoresis Simulation Kit	Plant and animal populations' resource box
DNA Fingerprinting Kit: Electrophoresis	Plate tectonics kit
Electric circuits: resource box /	Prairie resource box
Force and Motion Resource Kit	Rainforest resource box
FOSS. Variables kit	Rock & fossil resource box
FOSS: Force and motion	Sally Ride Science: Science Readers
Fundamentals of Physics: Pendulum	Sifting through Science Resource Box
Genetic Code Kit	Solar Energy
Group solutions box	Sound (kit)
Human Body Resource Box	SRA Science Laboratory Grade 4
Human Brain and Senses Kit	SRA Science Laboratory Grade 5
Intermediate grade topic tote: forces and machines	Starlab
Intermediate grade topic tote: weather	Sunshine and shadows: resource box /
Invertebrate resource Box	Weather /
Invertebrate resource Box	Weather kit
Involving dissolving Resource Box	You and your body resource box
