

The organizations below are Illinois state-approved professional development providers authorized to issue professional development credit to Illinois licensed educators for license renewal purposes.

**WARNING:** Entities that do not appear on this list are not Illinois state-approved professional development providers. Illinois educators cannot count professional development from unapproved providers toward professional development requirements for license renewal.

While Illinois state-approved professional development providers have the authorization to collaborate with unapproved third-party professional development providers, they do so at their sole discretion. Educators who wish to complete professional development offered by an unapproved provider should seek approval from an Illinois state-approved professional development provider *prior* to registering for, paying for, or attending an activity.

Pursuant to Article 21B-45(i)(7) of the School Code, approved PD Providers are required to register annually with the Illinois State Board of Education prior to offering any professional development activities in the current fiscal year.

## PROFESSIONAL DEVELOPMENT PROVIDERS AUTHORIZED IN STATUTE

---

**Illinois Charter Schools**

---
